ITALY FACES LONG WAR, CABINET MEMBER SAYS

Salvatore Barzilai, Governor of Conquered Austrian Territory, Says Nation Does Not Expect Rapid Victory-No Peace Sentiment Now.

applauded Baron Sonnino's announce

From Munition Ships.

Berlin Talks to Sofia.

ROME, Dec. 13.—The following is the first and only interview granted by a member of the Italian Cabinet since the beginning of the war. Salvatore Barzilai, who gave the interview to the correspondent of The Sun, is the Governor-General of the conquered Austrian territory and has been a men valor of our soldlers who are daily making rolls and the correspondent of the Column territory and has been a men valor of our soldlers who are daily making rolls are such defences.

trian territory and has been a member of the Cabinet since July. He is a Republican Deputy from Rome.

Signor Barzilal said:

"Although I am opposed to giving interviews, which heretofore I have refused, I am now making an exception in order to avail myself of the opportunity of offering evidence to the people of great, free America of the uninterrupted unity, strength, enthusiasm, faith and stern serenity of the Italian people.

"Beauth and stern serenity of the uninterrupted unity, strength, enthusiasm, faith and stern serenity of the Italian people."

"Beauth and stern serenity of the uninterrupted unity, strength, enthusiasm, faith and stern serenity of the Italian people. Perhaps we did not know ourselves; rimony of our country and the possicertainly foreign peoples did not know billty of living independently and prostoerus bull. But now they should know perously. Hence we are logically united with the Entente. Moral princithe true attitude and the moral standlies are positive necessities. They are

new British credits which might be established in this country. Financiers in New York have not been officially advised that such is the plan, but they can see no other reason for the assembling of a vast amount of British held American securities with the Bank of England or with the British Treasury Department other than for the use of them as collateral for loans here.

It is understood that England will not try to raise another loan here until the present \$500,009,000 Anglo-French loan has been distributed, but there is nothing to stop her from obtaining further banking credits based on American securities as collateral. New York bankers would be most ready to make advances against such security.

According to the report made by the Loree committee on the European hold-lings of American securities as of June 1000. Alliance Austria multiplied the terrible and life. Baron Sommo explained that perlis inherent in our unnatural frontier which favored her and menaced with the Entente, striving toward the same end and against the same enepeninsula.

The Chamber with one accord

**During the war the improved Austrian defences have revealed the urgent danger which threatened us while peaceloving Italian statesmen strove to dimin
igh and if recently had helped the Allies, particularly Russia, when the Italian offensive was intensified for that purpose.
